

# Bonaire Dive Trip

March 25<sup>th</sup> to April 1<sup>st</sup> 2023

Join the Scuba West team as we travel to Buddy Dive Resort in Bonaire, the shore-diving capital of the world. Bonaire is truly a diver's paradise and a must-see dive location for any diver. With more than 100 dive sites mostly accessible from shore, Bonaire is the perfect place to see turtles, moray eels, seahorses, rays, octopus', reef squid, and much more. Bonaire's waters are designated as a protected National Marine Park, and therefore the underwater ecosystem there is thriving. If you've never been to Bonaire, then join us and be prepared to be amazed.
