Dear Peter Rothschild,

Thank you for your support of Divers Alert Network. Over the years, we've worked hard to make scuba diving a much safer sport through improved education, research and services.

The time has come to renew your DAN Membership which includes the following benefits:

- + Travel Assist- \$100,000 of medical evacuation coverage in addition to a dedicated line for traveler assistance

- + Access to DAN's popular dive accident insurance
- + Alert Diver magazine
- + Free online training seminars and more!

Our records show that you are also enrolled in DAN's Guardian insurance plan. DAN was recently advised that this plan is temporarily unavailable to members over age 70. This is a provision in the insurance policy. In the past, AIG did not enforce the age restriction. They recently advised us that they must and that we can no longer enroll those over 70. DAN is working on another option and we hope to have something by the end of the year.

Thank you for your continued support of DAN. It is because of members like you that we can continue to improve the services we provide to the diving community. We look forward to serving you in the coming year. If you desire to renew your membership only, you may do so online at [DAN.org/renew](http://DAN.org/renew). If you have further questions or concerns, please feel free to contact us at 800-446-2671, x6333.

Dive safely,

William Ziefle
