

New

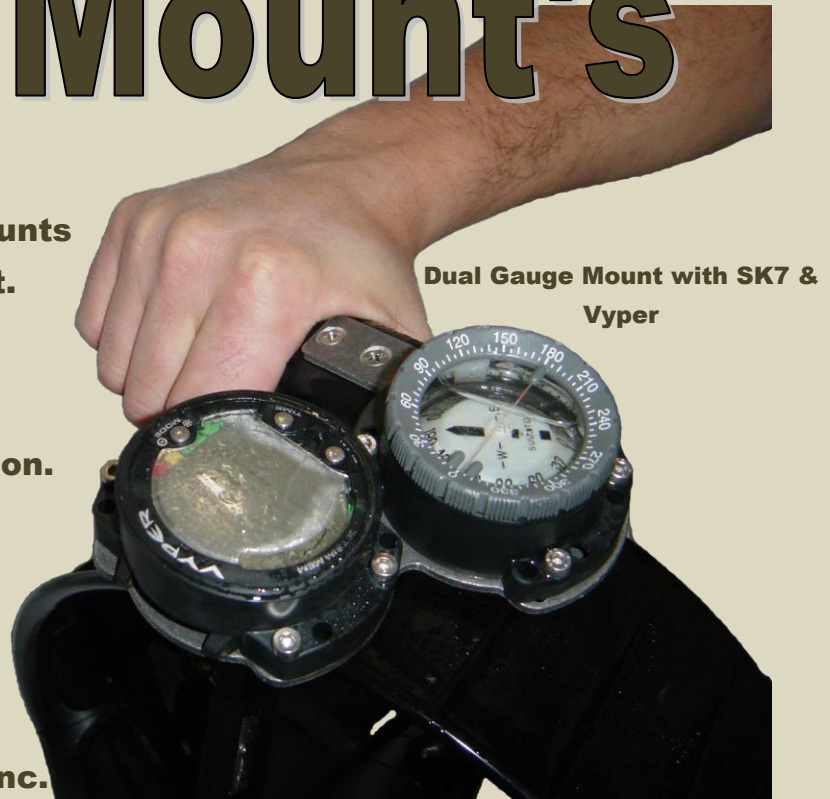

Gauge Mount's

Dive Xtras is launching two gauge mounts to replace its existing compass mount.

The new mounts allow you to mount a variety of different gauges on your scooter, in a single or dual configuration.

The following gauges are supported:

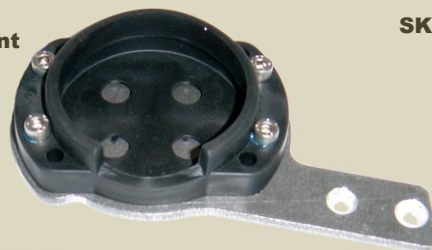

- 1) Suunto SK7 Compass
- 2) Uwatec FS-1 Compass
- 3) Suunto Vyper / Vytec / Gekko
- 4) Uwatec Digital Bottom Timers (Inc. Aladin Tec.

Dual Gauge Mount with SK7 & Vyper

Single Gauge Mount with SK7

Single Gauge Mount ready for FS-1

Dual Gauge Mount ready for SK7 & Uwatec BT

Contact your local X-man or Dive Xtras directly to purchase

Retail Price
