

# TECHNICAL BULLETIN

**SUBJECT:** Aqualung America Regulator service kit update

**PRODUCTS AFFECTED:** RG911115 / RG911116 / RG911117 / 900023 / 900010 / 900009 / 900016

Dear Aqualung Dealer, In an effort to align with a global offering, Aqualung America is making an adjustment to the service kits that will reflect the service kits offered from Aqualung International. Please be aware when ordering service kits that our previous kits are no longer available and have been replaced with new kits that are more specific to certain regulator models.
