

Underwater Wonders of Komodo & Alor

ADELAAR runs regular fixed departure cruises from Bali to Komodo and back all year round, as well as special trips to Alor. Whether a novice or seasoned diver, our guides will take you to explore these renowned world class dive sites. Between dives, relax and soak up the stunning imagery of wild Indonesia. All this is done in comfort & style aboard our luxurious liveaboard, which is also available for exclusive private charters. Our historical schooner comfortably accommodates up to eight guests, in four exquisite cabins.

Komodo Cruises (11 Days / 10 Nights)

Divers and snorkelers from around the globe join these signature trips, to experience the spectacular underwater sites in and around Komodo National Park. Our journey begins in Bali, and as we sail along the string of sleepy islands through to Komodo, you'll notice life is so much better at sea. Highlights include Komodo dragons, manta rays, and diving at the base of an active volcano. Special one-way cruises allowing for additional time in Komodo, as well as exploratory trips researching whale sharks are also available. Ask for our detailed itineraries.

Alor Cruises (12 Days / 11 Nights)

Join us for our new exclusive route in Eastern Indonesia. Set sail from the harbor town of Maumere, Flores and explore the spectacular dive sites of Alor. En route, there is also a chance to catch a glimpse of surfacing whales and super pods of dolphins. Discover the unspoiled nature of these islands, meet real life headhunters and experience traditional fishing techniques of the Alorese people. Ask for our detailed itinerary.
