

Insider's Guide to

Finding Flights to Bonaire

from North America

2018 EDITION

BonairePros

The choices for U.S. and Canadian travelers flying to Bonaire continue to change. Many of these airline alternatives require knowledge of schedules, days of operation, gateway cities and routing to successfully navigate and find the most viable choice for your travel plans. There is no one 'right' or 'best' way to get here – but this paper will help you find the routing (and fare) that best meets your needs.

Supply and demand along with the realities of the new airline marketplace continue to show that buying airfare direct from the carriers themselves will afford you the best fares.

This Guide will outline the variety of alternatives and offer some suggestions on researching and purchasing tickets to Bonaire. This information changes often as the airlines adjust and modify schedules. We welcome you to contact us with any questions.

Other options can be found for Canadian flights connecting via Curacao. See our blog for current details at: <https://www.bonairepros.com/blog/flights-to-bonaire/flights-to-bonaire-from-canada/>

Aruba to Bonaire

Although non-stop flights from USA to Aruba are not detailed in this paper, it is an alternative gateway to Bonaire with many major carriers offering competitive fares and schedules throughout the week including Delta from Atlanta, Southwest from Houston and Orlando, American from Charlotte, Philadelphia and Miami and Jet Blue from JFK and Boston. As an interisland connecting point, it can be effective, although more expensive than puddle-jumping from Curacao. And most all flights between Aruba and Bonaire currently require a change of planes in Curacao.

Although Curacao and Aruba are suitable gateways, the United, Delta and American nonstop options from the U.S. to Bonaire continue to be the preferred and most reliable routing for most travelers (even at higher fares).
