

NORTHWEST ATLANTIC LOBSTER TAGGING PROGRAM – 2006

Fisheries biologists are tagging lobsters as part of our Northwest Atlantic Lobster Tagging Program in cooperation with Maine and Massachusetts lobstermen. This tagging work will provide information on lobster migration rates and net directional movement among regions within the Gulf of Maine.

Participating fishermen will receive:

- A tagging project hat (max. 2 per vessel)
- Entry into a raffle for every tag called in (unlimited raffle entries, 1 for each tag number reported)
- You could win one of five \$500 gift certificates to a marine supply store!

Tag Location

What To Do: Call the number on the tag
(617-727-0394 x 363) with the
following
information:

- Tag Number
- Location in either GPS or LORAN
- Sex, egg status, v-notch status, and length if possible
- Your name, vessel name, address and phone number

Thank you for your participation!
