## Plastic Handle O'ring Picks

The o'ring picks illustrated to the right utilize a stainless steel probe molded into a plastic handle. The pick ends have been formed into several useful shapes for removing o'rings efficiently. The full set of five picks is sold in a reusable storage tube with removable plastic caps. Caution: These picks are very sharp! Use care when handling and using these picks.

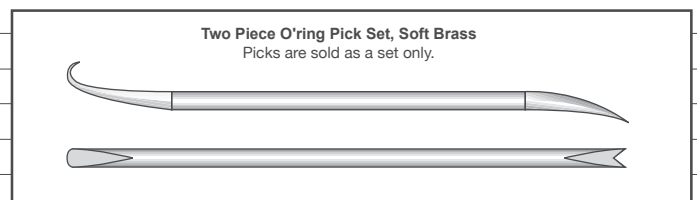

Description	Number	Price
O'ring Pick Set, 5 pcs. & Storage Tube	10-125-400	\$10.75
1/8" Hook, Plastic Handle, Small	10-103-400	\$2.15
3/16" Hook, Plastic Handle, Medium	10-104-400	\$2.15
Double Hook, Plastic Handle	10-102-400	\$2.15
Straight Sharp, Plastic Handle	10-105-400	\$2.15
Straight Blunt, Plastic Handle	10-120-400	\$2.15

## O'ring Pick Set, Soft Brass

The two o'ring picks illustrated to the right are sold as a set packaged in a plastic pouch. The advantage of this type of pick is that the relatively soft brass material is less likely to scratch expensive regulator parts.

Description	Number	Price
O'ring Pick Set (2), Soft Brass	10-102-100	\$15.25

## Nylon O'ring Pick

Description	Number	Price
Nylon O'ring Pick	10-127-400	\$5.25

## Brass Pick Set, 3pc (plastic handle)

Description	Number	Price
Brass Pick Set, 3pc (plastic handle)	10-126-400	\$20.50

# OMS Tools

## OMS Poppet Tool Kit

The Poppet Tool Kit is designed to assist the technician in the assembly, disassembly, and adjustment of the demand valve components.

The kit consists of a special wrench for starting and adjusting the nylon nut, and a poppet drive tool for turning the poppet from the outside of the case. The poppet drive tool also retains the poppet and spring without inward hand pressure. Note: This tool kit can be used on all models of OMS second stages.

The wrench is machined aluminum and the poppet drive assembly is chrome plated brass with a molded knob.

This tool kit has received extremely high praise for simplifying the job of installing the demand valve components on OMS second stages.

Description	Number	Price
OMS Poppet Tool Kit	21-200-100	\$29.00
