

SERENITY S¹ TRACK

A
NEW
DIVING
WORLD

SERENITY S¹

Our disruptive items will seduce you.

Entirely touch-sensitive, S¹ is the first dive computer equipped with the revolutionary **wrist movement** system.

Intuitive, connected and **easily readable**, vital for your future divers

Customize your **S¹**
computer with the
following
functions...

... and choose
one, two or three modes

Lérins

Bottom timer

Frioul

Decompression
algorithm

Riou

Apnea mode

SERENITY APPS WILL SYNCHRONIZE YOUR DIVING PLAN WITH YOUR TEAM

Just give 5 informations to your app :

- Maximum depth
- Diving time
- Number of deep stops
- Stops depth
- Deep stops length

A 3D graph helps you to analyse and visualize your diving trip.

S¹ is free of buttons and plugs, it's charged with an induction charger.

S¹ will be your ideal diving buddy.

ADVANTAGES

- ▶ Digital compass
- ▶ Backlight screen
