

YOUR INVITATION TO A VERY SPECIAL DIVE EXPEDITION

Save Our Leatherbacks Operation (S.O.L.O.), an IRS Certified 501(c)(3) nonprofit foundation cordially invites you to a most special and exciting diving Expedition.

This live aboard voyage will allow you to experience (on the beach for the Leatherback Turtles) for 2 days and nights, to dive with the GIANT MANTAS in their “secret places” for 2 dives and to dive for 2 days with the GIANT WHALE SHARKS.

ALL IN ONE VOYAGE!

Such a trip has never been put together before. **YOU** can have an experience of a diving life time of being UP close to the three GIANTS of the Pacific in one live aboard trip. You will NOT be pushed back on the boat to meet the boat schedule. **THIS** schedule is for the divers!

Each of these three GIANTS is facing near term extinction because of human intervention within the chain of sea life. There, probably, are not many years remaining when one or all three will disappear --- FOREVER.

You can have an exciting opportunity to achieve, in one Expedition, that which might take three or more separate trips. The boat owners have generously permitted “Dr. Larry” McKenna the opportunity to set this trip as a SPECIAL activity and at a very low cost, as compared to all previous trips by any dive boat. Just 14 divers will experience the thrill of

this Expedition. *This offering may NEVER be repeated.* “Dr. Larry” will share some of his many experiences with each giant and especially the Leatherback Turtles and show some “secret” dive sites not on the usual dive circuits. To have Larry as your Special Guide is a priceless addition, as this Expedition may be his last.

The dates: We begin our Expedition at Sorong, Papua, Indonesia on August 12, 2013 and terminate the voyage on August 25. IF you are U.S. tax payers the entire Expedition can be 100% deductible.

We suggest the Indonesian air segments begin and end in Jakarta, as the most practical path to the adventures. We will, if requested, organize the air and enroute hotels.

If you are interested, book NOW with the refundable (until March 1, 2013). A Deposit of \$500. each will confirm a bed – on a “1st come basis”. At this writing, only 8 beds are open. The Deposit when received is YOUR reservation. IF the boat does not fill by March 1, 2013, your Deposit will be refunded.
